

COVID-19

MINISTRY OF HEALTH
Bahamas Government

WEARING CLOTH FACE MASKS

It is now mandatory that the general public wear face masks outside their homes.

- Cloth masks can reduce the transfer of respiratory droplets.
- They should cover your nose and mouth at all times while you are out.
- Cloth masks can be utilized in places such as grocery stores and pharmacies.
- Remove the cloth mask by ear elastics or straps, when you get home.
- Wash as soon as possible after each use.

Also take these additional precautions:

Stay home

Practice physical distancing

Wash your hands

Do not touch your face

Save N95 and medical grade masks for our healthcare workers

Protect Yourself & Others
