

COVID-19

MINISTRY OF HEALTH
Bahamas Government

WEARING CLOTH FACE MASKS

- ✓ When out in public
- ✓ Nose and mouth covered
- ✓ Can breathe under mask
- ✓ Wash after each use

Also take these additional precautions:

Stay home

Practice physical distancing

Wash your hands

Do not touch your face

For their safety, children less than 2 years old should not wear cloth face masks. This will cause them to suffocate.

The Ministry of Health advises against the use of cloth face masks for persons who have trouble breathing; or are unable to remove the mask themselves without assistance.

Protect Yourself & Others
